* Average Business Deliv Days recalculated to reflect dayafter-order as day 1. In some weekend/holiday cases this results in a negative number which has been changed to 0 in order to reduce distortion of the average calculation.

* Average % On Time recalculated to reflect day-after-order													
as day 1. IE, if an order arrives on Friday, the days				i									
calculation starts on the following Monday (or Tuesday, in				1									
case of a holiday). Numbers < 90% have been highlighted.							1
